

REQUEST FOR BUS SERVICE NOAH WEBSTER SCHOOLS - PIMA

Leave blank

Please fill out and return only if you are requesting bus service

AM

I am requesting consideration for busing and hereby authorize Noah Webster Schools to provide said busing. Furthermore, **I certify that my child (children) lives outside of a one (1) mile radius from the school site** and I understand that Noah Webster **will not** provide transportation to students within a one mile radius of the school.

I have read the Student Transportation Services letter and the Student Transportation Policy section of the parent handbook. I also understand that busing at Noah Webster is limited and that these limitations may result in a denial of bus service, and that **this is a request only which in no way guarantees that I will be provided said bus service, and that all requests will be added to the transportation waiting list pending availability of bus service.**

This form is for requesting AM (Morning) pickup only

Please fill out the PM request form for afternoon busing
