### Ordering Batons:

Batons can be purchased at [www.americanbaton.com](http://www.americanbaton.com) or by calling (608) 754- 2238. They will ship directly to your home. The recommended type of baton is the "Mini-Major (3/8 shaft)." Any student joining baton can come by Ms. Kandalec's class (room 202) to be measured for a baton at least one week prior to the start of each session. You can also measure yourself in inches, from the neck or shoulder to the tip of the middle finger when your child's arm is pointing down at a forty-five-degree angle. Every child must have a baton for class. If you order a baton and it does not arrive before the first day of class, your child should still attend class and borrow a baton for the day.

Coach Use Only:  
Baton Length = \_\_\_\_\_ inches (3/8 shaft)
